

Remanufactured Transmissions 6R140

Quality remanufacturing. Proven performance. Powertrain confidence.

Built for the demands of today's work trucks, the 6R140 is engineered to deliver the strength, durability and performance your customers depend on. Our remanufactured 6R140 transmissions are professionally remanufactured to help restore reliable performance while providing a cost-effective alternative to new.

Built to Perform. Backed by Allied Powertrain Group.
